## Training Replication

### Expected Results

After each ToT, its content will be replicated by PC HEIs internally and also inviting other PC HEIs at national level. ToT will be adapted to contextual needs and replicated with the aim of increasing capacities on the focus topics of the project related issues: sustainable NGOs management and operation with special emphasis on NGOs dealing with refugees. The main rationale behind the training replication is to increase MORALE impact and thus the capacities of the project beneficiaries in relevant topics essential for their operations.

14H00 – 16H30	1 <sup>st</sup> Training replication 2nd Module : Social Impact Assessment for NGOs	Prof. Guadalupe Ortiz Noguera University of Alicante
